Study Tips!

Finals are quickly approaching, use these study tips to guide you through each and every one of your exams!

- **Manage your time wisely!** (take time to study for all of your exams, but don't overwhelm yourself with too much material in one day.)
- **Review your notes daily, but in order do this make sure you actually take notes to begin with!**
- **Save everything that might be necessary in helping you study.**

College Tip #3

There is no time limit on adjusting to college, so don't feel bad if it takes you longer than you think it should.
