Arts (3A)			Physical Science (5A/C)		
Humanities (3B)			Biological Science (5B/C)		
Arts/Humanities (3A/B)			Language Other than English		

University Requirement		
	Completed	CAF Submitted
American History & Institutions		

Notes:

The two-year plans presented in this sample plan demonstrate the recommended sequencing and timing of the required and elective components within each major. Please note, all SSHA majors require 120 units for graduation, out of the 120 unit requirement 60 units must be Upper Division. In many cases, a student's academic background will require variations in the timing of the coursework listed in the plan. All students are expected to work with their academic advisor to find their best pathway through the degree requirements of their chosen program.

Additionally, this academic plan is an unofficial document intended to be used for advising / course planning only. This academic plan does not take into account any coursework completed outside of UC Merced by way of transferred credits from other institutions or credit awarded through test scores. This document cannot be used to supersede or waive requirements listed in the UC Merced catalog unless approved by your advisor or the faculty, and course availability is not guaranteed.

Public Health Lower Division Major Requirements		
Major Requirement	Completed	CAF Submitted
