

## Meet one of our Advisors!

Brenda Maldonado-Rosas grew up near UC Merced in Livingston, California. She attended the University of California, Davis (Go Ags!) and earned a Bachelor of Arts in English and Spanish. She then headed to California State University, Sacramento where she completed her Masters of Science in Counseling, with a specialization in Career Counseling.

She lives by the quote: "I am a strong believer in planning as much as one possibly can, for 'failing to plan is planning to fail' (Alan Lakein). Having a plan in place can eliminate many unnecessary obstacles and problems in one's live."

### What is the Cool Campus Challenge?

"The Cool Campus Challenge is an online learning experience and competition between UC campuses running from October 6 to December 10, 2015. It's designed to motivate and reward staff, faculty and students who take steps to reduce their carbon footprints and help the UC system reach Carbon Neutrality by 2025. It's a big, daring goal, but we can get there if we all work together as a community to make it happen."
