

INTERN & TEACHER JOB FAIR 2017

Districts in Fresno, Kern, Kings, and Tulare Counties are seeking applicants for positions in all subject areas, grades K-12 (including CTE)!

If you hold a teaching credential or intend to be eligible for a preliminary or intern credential by Fall 2017, please join us!

On-site interviews will be conducted!

A well-prepared candidate will bring interview packets completed and duplicated for distribution to local school districts. A complete packet consists of:

- ▶ Letter of Introduction
- ▶ Resume
- ▶ Copy of CBEST, CSET, and RICA Test Results
- ▶ Copy of Teaching Credential(s) or other CTC permit/credential
- ▶ Letters of Recommendation (3 Preferred)
- ▶ 15-20 packets recommended

SSHA

Peer Mentors Wanted!

If you want to lead today's tech world, enroll in the UCLA Technology Leadership Summer Institute that puts you at the center of L.A.'s tech scene.

As part of the world's next generation of leaders, you understand that tech will drive many of the changes we see in the coming years. If you are interested in becoming a tech leader and influence these changes, you will first need to gain a strong technical proficiency and learn best practices.

The Easton Technology Management Center offers a unique, six-week Summer Institute so you can explore tech leadership by focusing on innovation, product development, data management, data analytics, and leadership through communications. It is led by UCLA Anderson, a top-ranked business school and valued resource to tech industry.

Get a jump on your career and attain a highly regarded qualification!

June 26 – August 4, 2017

Bitwise INDUSTRIES

SSHA Major? Interested in Tech?

Thursday, April 20, 2017

8 AM - 5 PM

Bitwise Industries - Fresno, CA

The Center for Career & Professional Advancement will be taking students to Bitwise Industries and Hashtag, a division of Bitwise. Bitwise Industries is the mothership of technological education, collaboration, and innovation in Fresno.

Every day, they help cultivate the technology ecosystem in the Central Valley, providing education (Geekwise Academy), execution (Shift3 Technologies), and place (Hashtag) to empower the next generation of tech leaders. SSHA students will be exposed to technical skills such as coding and graphic design.

Peer Assisted Learning Support (PALS) is available for many subjects on campus, and it is **free**. We have learning support sessions, both small and large group, in various rooms on different days and times.

Our Learning Assistants are trained and will support you through the learning process. Check the [Learning Support Schedule](#) to see the many subjects available.

THE MATH CENTER

The Math Center is a dedicated resource for learning mathematics. Some of our services:

- An inclusive learning environment
- Support for all undergraduate math courses
- Develop problem solving skills
- Receive assistance from graduate students, trained undergraduate students, and instructors.
