SSHA UPDATE

School of Social Sciences, Humanities, and Arts (SSHA) - Fall 2015

Meet one of our Student Assistants!

Crystal Board is a fourth year Psychology and Sociology double major. She grew up in Oceanside, California and her favorite color is Lime Green. In the beginning of the year Crystal was accepted as an intern at Valley Crisis Center with the help from Professor Jeffrey Gilger and now works as a Domestic Violence Advocate for the Valley Crisis Center. In addition, she is a part of Alpha Kappa Psi, Business and Professional Fraternity and Black Student Union.

"Working as a Student Assistant for SSHA for over two years, has given me the opportunity to get to know faculty, staff, and students. It brings me joy knowing that I can help answer student's questions about university policies."

She lives by the quote, "Don't tell me the sky's the limit, when there's footprints on the moon."
