SSHA UPDATE

School of Social Sciences, Humanities, and Arts (SSHA) - Fall 2015

Meet one of our Student Assistants!

Paolina Beltran is a fourth year Cognitive Science B.S. major with a minor in Psychology. She is currently a research assistant for Professor Teenie Matlock in the Cognitive and Information Science Laboratories. She is also part of an amazing club on campus called Merced County Project 10%. Her favorite color is teal. Her favorite ice-cream flavor is Grasshopper Pie from an ice-cream parlor in her hometown of San Francisco. She enjoys to bake on her free time.

Paolina Beltran

"I love being a SSHA Advising student assistant, because it's so rewarding knowing that I was at least able to help one person today".

She lives by the quote, "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
-Maya Angelou
