Jump-Start Your Third Year Advising Meetings

Attention Class of 2016!

Beginning this semester, students in the entering freshman class of 2012 will be required to meet with an academic advisor within their current School during their fourth semester at UC Merced (for some of you this may be your fifth). We hope that this connection with an advisor will give you a jump-start on your third year by facilitating progress in your degree and support in the development of your educational goals.

Check out our website for details on this important meeting. Do not attend your meeting without reading the information on here first!

Don't Delay! Your ability to make changes to your Summer 2014 schedule and to register for Fall 2014 will be affected if you do not meet with your advisor soon.
